BSPS Funds Provide CPR Training Equipment

At the request of the school's nurses, the BSPS recently provided funds for the purchase of a cardiopulmonary resuscitation (CPR) training mannequin and electrodes to complement the school's previous purchase of two artificial external defibrillators (AEDs).

The mannequin and CPR equipment will also be used to train Scouting and Guiding groups (including Brownies, Cubs and Beavers) and students following the Duke of Edinburgh programme at the Senior School. It is hoped that training may be extended to Year 5 and 6 students.

Wine and Cheese Pairing a Great Success at BSPS AGM

The 'Introduction to Wine' by M. Bernard Duseigneur and 'Cheese Glorious Cheese' by Damien Fromagerie, presented after the AGM on 8th October, were a huge success. The two artisans got together to give us some memorable pairings of wines and cheeses, much to the delight and appreciation of those present. This was a wonderful opportunity to gain some valuable knowledge into some fantastic French products.

The Chairman's and Treasurer's reports from the AGM are available on the BSPS website at <http://www.bspsociety.com>
