

FRENCH CLASSES FOR THE COMMUNITY

The objective of BSP French Lesson for the Community is to learn the French language, as well as discover French culture and way of life. At each level, the BSP offers a variety of activities ranging from listening to authentic recording to studying newspaper articles.

COMPLETE BEGINNERS CLASS

A course designed for students with no knowledge of French.

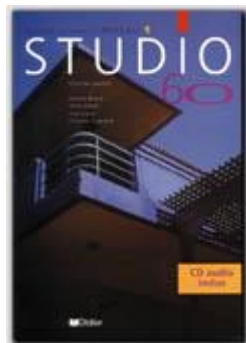

The class will learn to speak, write, read and listen to the French language in the present, past and future tenses. The objective is to gain confidence and a sound command of French vocabulary and basic grammar in order to cope with everyday life in France.
