

THE BRITISH SCHOOL OF PARIS JUNIOR SCHOOL

APPOINTMENT OF HEAD OF THE NEW JUNIOR SCHOOL

The BSP is delighted to announce the appointment of Mr Jamie Hornshaw as Head of the New Junior School from January 2010.

Mr Hornshaw is currently Deputy Head of Brentwood School in Essex, one of the country's leading preparatory schools. Educated at Borden Grammar School and the University of Plymouth, he took the National Professional Qualification for Headship (NPQH) at the National College for School Leadership in 2007. Mr Hornshaw is married with two young children. His wife being a French speaker, he is looking forward to and excited about living in France and brushing up his French.

Mr Jamie Hornshaw

With the new Junior School taking shape on the Croissy site, we are entering a most significant time in the history of the BSP. To ensure continuity of the high level of teaching and learning and the general operation of the Junior School in Bougival, Alison Tardivel will continue as the Head until the move to the new site. During that initial period, Mr Hornshaw will join the site development team for the new building where his experience in primary education will be indispensable. He will work closely with the Director of Finance and Operations, the architect and the Headmaster on the remaining details of the project as well as the revision of policies and procedures to take account of the new environment in which the children will then be learning. He will naturally liaise with the current Head of Junior School, Alison Tardivel, and with Sue Pearey, the Coordinator of Junior School Croissy, and will make every effort to get to know the children and staff prior to the move.

The BSP is exceptionally pleased with Mr Hornshaw's appointment. He is a perfect fit for our Junior School. The BSP is looking forward to working with him in 2010, and to welcoming his family to France and into our community.

There will, of course, be plenty of opportunities for you to meet Mr Hornshaw shortly before and after his arrival in January.
